SGX-ST Announcement: 22 August 2011

PROPOSED UNIT CONSOLIDATION

1. INTRODUCTION

AIMS AMP Capital Industrial REIT Management Limited, as manager of AIMS AMP Capital Industrial REIT (“**AIMSAMPIREIT**”, and the manager of AIMSAMPIREIT, the “**Manager**”), wishes to announce the proposed unit consolidation (the “**Proposed Unit Consolidation**”) involving the consolidation of every five (5) existing units in AIMSAMPIREIT (“**Units**”) held by unitholders of AIMSAMPIREIT (“**Unitholders**”) as at a books closure date to be determined by the Manager (the “**Books Closure Date**”, and the existing units held as at the Books Closure Date, the “**Existing Units**”) into one (1) Unit (the “**Consolidated Units**”). The number of Consolidated Units which Unitholders will be entitled to, based on their holdings of Existing Units as at the Books Closure Date, will be rounded down to the nearest whole Consolidated Unit and any fractions of Consolidated Units arising from the Proposed Unit Consolidation will be disregarded. Each Consolidated Unit will rank *pari passu* with each other.

2. RATIONALE FOR THE PROPOSED UNIT CONSOLIDATION

The Manager believes that the Proposed Unit Consolidation will bring the following key benefits to Unitholders:

(a) Improvement in the profile and attractiveness of AIMSAMPIREIT and the Units

The Manager believes that, immediately following the Unit Consolidation, with the reduction in the number of Existing Units in issue and the resulting increase in the theoretical trading price of each Consolidated Unit, the Unit Consolidation may increase market interest and activity in the Units, thereby making AIMSAMPIREIT and the Units more attractive to investors.

The Manager is of the view that the Unit Consolidation may also improve the profile of AIMSAMPIREIT among institutional investors and may improve the coverage of AIMSAMPIREIT among research houses.

(b) Reduction of the magnitude of volatility of AIMSAMPIREIT’s Unit trading price and market capitalisation

The Manager believes that the Unit Consolidation may serve to reduce the magnitude of volatility of AIMSAMPIREIT’s Unit price and market capitalisation due to the minimum bid and ask spread.

For the avoidance of doubt, the Unit Consolidation will not:

- (a) affect the total distributable income of AIMSAMPIREIT;
- (b) affect the total net asset value of AIMSAMPIREIT;
- (c) require any payment from Unitholders;
- (d) result in any return of capital to Unitholders; and
- (e) dilute the unitholdings of Unitholders.

3. CONDITIONS FOR THE PROPOSED UNIT CONSOLIDATION

Pursuant to Clause 2.3 of the trust deed constituting AIMSAMPIREIT, the Manager may at any time determine that Units be consolidated, subject to obtaining the prior approval of the Trustee. Nonetheless, for good corporate governance the Manager is seeking Unitholders' approval for the implementation of the Unit Consolidation by way of an ordinary resolution at an extraordinary general meeting ("EGM") to be convened. The Manager will also be seeking the in-principle approval of the SGX-ST for the dealing in, listing of and quotation for the Consolidated Units created pursuant to the Proposed Unit Consolidation.

Upon receipt of approval from the SGX-ST, a circular containing further details of the Proposed Unit Consolidation and the EGM will be despatched to Unitholders.
