AIMS AMP Capital Industrial REIT to raise S\$30 million by issuing 4.35% Fixed Rate Notes due in 2019

Singapore 29 November 2012 - The manager of AIMS AMP Capital Industrial REIT (**AA REIT**) today announced that AA REIT's wholly-owned subsidiary AACI REIT MTN Pte. Ltd. (**Issuer**) will be issuing S\$30 million unsecured 4.35% Fixed Rate Notes (the **Notes**) by way of private placement. The issue is the second series of notes issued pursuant to the Issuer's S\$500 million Multicurrency Medium Term Notes Programme (the **MTN Programme**) which was established on 25 July 2012.

Amount issued:	S\$30 million
Type:	Fixed
Coupon:	4.35% per annum, payable semi-annually in arrear
Tenor:	Seven years
Issue date:	Expected to be 5 December 2012
Maturity date:	Expected to be 5 December 2019

Chief Executive Officer Nick McGrath said: "We welcome debt investors' interest in AA REIT's capital base. The first issuance in August was five-times over-subscribed. Since then the notes issued under the first issuance have been trading well on the secondary debt market, which reflects debt investors' confidence in AA REIT. Strong interest enabled us to arrange an issuance with a seven-year tenor, which was priced attractively at 4.35 percent per annum. This long term issuance enables us to extend our average debt maturity to 3.6¹ years from 3.1² years."

"The net proceeds from this issuance will be used to fully repay S\$28.8 million bank debt due in February 2014, enabling us to release our asset at 29 Woodlands Industrial Park E1 from serving as bank security. Unencumbering assets will give AA REIT greater financial flexibility and balance sheet strength for the future. Following the release of this security, AA REIT will have S\$203³ million unencumbered assets." Mr McGrath said

A table setting out AA REIT's debt maturity post this issuance is set out below⁴:

Maturity date	S\$'million
Due in October 2013	9.1
Due in October 2015	168.5
Due in August 2016	100.0
Due in December 2019	30.0
	307.6

¹ On a pro forma basis as at 30 September 2012.

² As at 30 September 2012.

³ Based on property valuation by Cushman & Wakefield and Colliers International Consultancy and Valuation (Singapore) Pte Ltd on 30 September 2012

⁴ On a pro forma basis based on debt outstanding as at 30 September 2012 and on the assumption that the Note issuance occurred on 30 September 2012.

AA REIT established the MTN Programme in July this year to give management the flexibility to diversify AA REIT's sources of debt funding and to lengthen its debt maturity profile.

The Manager appointed Standard Chartered Bank and United Overseas Bank as joint bookrunners for the Notes issue.

As at 30 September 2012, AA REIT's appraised property portfolio value was S\$965.7⁵ million, with aggregate leverage of 31.5 percent and interest rate cover of 4.8 times.

Standard & Poor's has an investment grade rating of BBB- assigned to AA REIT.
