AIMS AMP Capital Industrial REIT recognised as one of Singapore's most transparent companies

Singapore 11 November 2013 – AIMS AMP Capital Industrial REIT (AA REIT) was named runner-up in the SIAS Most Transparent Company Award 2013, REITs and Business Trusts Category at the SIAS 14th Investors' Choice Award dinner presentation ceremony held on 8 November 2013.

The recognition comes as part of the 14th SIAS Investors' Choice Awards – annual awards that honour publicly listed companies which have demonstrated exemplary corporate governance and transparency practices throughout the year.

This is the first time AA REIT has been recognised in the SIAS Investors' Choice Awards.

The award recognises AA REIT for its “outstanding efforts in improving transparency standards”, and was selected by a committee of senior financial journalists, analysts, brokers, fund managers and SIAS.

Head of Real Estate and incoming Chief Executive Officer Koh Wee Lih said AA REIT was honoured to have been recognised for its governance by its peers in Singapore's financial industry.

“AA REIT is committed to continuous disclosure and ensuring the market and our investors are fully informed of the Trust's financial position and the value we are creating. In doing so we provide regular market updates on major milestone achievements and financial reporting. We're very pleased that this commitment has been recognised by our industry partners and the media.”

Mr Koh continued that this recognition comes as AA REIT embarks on an exciting phase of growth.

“Last month we announced our 2Q FY14 results which resulted in a 29.2 per cent year-on-year increase in distribution to unitholders of S\$14.5 million. We are committed to building on this strong result by further unlocking value from our portfolio and strategically investing in assets that add value for our unitholders.”

Mr Koh concluded: “Investor confidence in our investment strategy is critical for AA REIT to be able to pursue strategic growth opportunities. Communicating our milestones and developments, and actively applying good corporate governance and transparency principles enables us to build trust and confidence with our unitholders.

“It is an honour to receive recognition for this at the prestigious SIAS Investors' Choice Awards this year,” Mr Koh said.
