Unitholders to vote at EGM on re-appointment of Property Manager

Singapore 9 July 2014 – The Board of Directors of AIMS AMP Capital Industrial REIT Management Limited (the Manager) as manager of AIMS AMP Capital Industrial REIT (the Trust) has today distributed a Circular to Unitholders in relation to an Extraordinary General Meeting (EGM) to be held on Wednesday 30 July 2014.

The terms of the proposed Master Property Management Agreement will be based on the existing property management agreements. All fees remain the same. The key difference with this new agreement is that we are proposing a ten-year term, rather than the current eight years. Please refer to the Circular for further details.

The Manager is of the view that the ten-year appointment will provide seamless continuity in the Property Manager's management of the Trust's Singapore portfolio.

The Property Manager has, under the direction of the Manager, been successfully managing the Trust's Singapore portfolio for Unitholders, helping to:

- Ensure a healthy and stable occupancy rate of 97%¹ for FY2014, which is above the industrial average
- Secure weighted average rent increase on lease renewals
- Improve the lease expiry profile to not more than 25% of leases expiring in a single year
- Reduce tenant concentration risk

The Property Manager has also consistently contributed to the steady net property income growth of the Trust from S\$25.1 million in FY2008 to S\$71.9 million in FY2014 and at the instruction of the Manager, successfully executed asset enhancement initiatives implemented at the various properties of the Trust since 2007, resulting in incremental net property income and ultimately enhancing the capital value of the Trust's Singapore portfolio.

The Independent Financial Adviser CIMB Bank Berhad, Singapore Branch, has reviewed the terms of the proposed Master Property Management Agreement and subject to the qualifications and assumptions made in its letter to the Trustee, the Audit, Risk and Compliance Committee and the Independent Directors of the Manager is of the opinion that the terms of the Master Property Management Agreement are on normal commercial terms and are not prejudicial to the interests of AACI REIT and its minority Unitholders.

Unitholders will vote on the Resolution on Wednesday 30 July at the EGM to be held at Amara Singapore, Level 3, Ballroom 2, 165 Tanjong Pagar Road, Singapore 088539 at 3 p.m. (or as soon thereafter following the conclusion or adjournment of the Annual General Meeting of the Trust to be held at 2.00 p.m. on the same day and at the same place).

¹ The occupancy rate for FY2014 includes Optus Centre in New South Wales, Australia which was acquired on 7 February 2014.
