Important Notice

The value of Units and the income derived from them may fall as well as rise. The Units are not obligations of, deposits in, or guaranteed by, the Manager, or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.

Investors have no right to request the Manager to redeem their Units while the Units are listed. It is intended that unitholders of AACI REIT may only deal in their Units through trading on the SGX-ST. Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This document is for information only and does not constitute an invitation or offer to acquire, purchase or subscribe for the Units. The past performance of AACI REIT is not necessarily indicative of the future performance of AACI REIT.

This document may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses (including employee wages, benefits and training costs), property expenses and governmental and public policy changes. Investors are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager's view of future events.

About AIMS AMP Capital Industrial REIT

Managed by AIMS AMP Capital Industrial REIT Management Limited, AACI REIT was established with the principal investment objective of owning and investing in a diversified portfolio of income-producing industrial real estate located throughout the Asia Pacific that is used for industrial purposes including, but not limited to warehousing and distribution activities, business park activities and manufacturing activities.
