Standard & Poor's reaffirms BBB- rating for AIMS AMP Capital Industrial REIT with stable outlook

Singapore, 14 May 2018 – The Board of Directors of AIMS AMP Capital Industrial REIT Management Limited (“the Manager”) as manager of AIMS AMP Capital Industrial REIT (“AA REIT”) today announced that Standard & Poor’s (“S&P”) has reaffirmed its investment grade rating of ‘BBB-’ with a stable outlook.

The stable outlook reflects S&P’s expectation that AA REIT will continue to generate steady cash flows and successfully execute its asset enhancement initiatives over the next 24 months. S&P believes that AA REIT’s strategy of continuously improving its asset quality has allowed it to better withstand the current soft industrial property market than some of its peers and expects AA REIT to sustain its stable financial position over the next two years, driven by good financial discipline.

The Manager’s Chief Executive Officer, Mr Koh Wee Lih commented, “The affirmation of AA REIT’s current investment grade rating is pleasing and testament to our strategy of focusing on disciplined investment, prudent capital management, and active asset and lease management. The stable outlook reflects the quality of our portfolio and focus on strengthening returns through strategic redevelopments and asset enhancement initiatives.”

“We will continue our efforts to enhance AA REIT’s capacity for long-term growth and create stable and sustainable earnings, while ensuring we are well-placed to stay ahead of current market conditions.”
