Results Presentation

25 July 2019

# Important notice

## Disclaimer

This Presentation is focused on comparing actual results for the financial period from 1 April 2019 to 30 June 2019 (“1Q FY2020”) versus actual results year-on-year (“y-o-y”) and quarter-on-quarter (“q-o-q”). This Presentation shall be read in conjunction with AIMS APAC REIT’s (“AA REIT” or the “Trust”) results for 1Q FY2020 as per the SGXNet Announcement.

The information contained in this presentation is for information purposes only and does not constitute an offer to sell or any solicitation of an offer or invitation to purchase or subscribe for units in AIMS APAC REIT (“Units”) in Singapore or any other jurisdiction, nor should it or any part of it form the basis of, or be relied upon in any connection with, any contract or commitment whatsoever.

The past performance of the Units and AA REIT is not indicative of the future performance of AA REIT. Predictions, projections or forecasts of the economy or economic trends of the markets are not necessarily indicative of the future or likely performance of AA REIT.

The value of the Units and the income derived from them may fall as well as rise. Units are not obligations of, deposits in, or guaranteed by, the AIMS APAC REIT Management Limited (the “Manager”). An investment in Units is subject to investment risks, including the possible loss of the principal amount invested. Investors have no right to request that the Manager redeem their Units while the Units are listed. It is intended that holders of Units (“Unitholders”) may only deal in their Units through trading on Singapore Exchange Securities Trading Limited (the “SGX-ST”). Listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.

This presentation may contain forward-looking statements that involve risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from similar developments, shifts in expected levels of property rental income, changes in operating expenses, including employee wages, benefits and training, property expenses and governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the Manager’s current view of future events.

The information in this presentation has not been independently verified. No representation, warranty, express or implied, is made as to, and no reliance should be placed on, the fairness, accuracy, completeness or correctness of the information and opinions in this presentation. None of the Manager, or any of its respective affiliates, advisers or representatives, shall have any liability (in negligence or otherwise) for any loss howsoever arising from any use of this presentation or its contents or otherwise arising in connection with this presentation.

# HIGHLIGHTS FOR 1Q FY2020

# Highlights for 1Q FY2020

> 1

## Focusing on active asset management

- DPU performance: 2.50 cents per Unit for the quarter<sup>1</sup>.
- Gross revenue increased by S\$0.7 million to S\$30.6 million from the preceding quarter mainly due to higher rental and recoveries at 20 Gul Way and 27 Penjuru Lane.
- Property operating expenses were lower by S\$1.9 million from the preceding quarter mainly due to land rent payments that were excluded pursuant to the adoption of Financial Reporting Standard 116 Leases (FRS 116).
- Net property income increased by S\$2.6 million from the preceding quarter to S\$22.9 million.

## Active lease management

- Executed 16 new and renewal leases in 1Q FY2020, representing 13,630 sqm (or 2.2% of total net lettable area).
- Portfolio occupancy increased slightly to 94.4%, as compared to 94.0% in the preceding quarter, above industrial average of 89.3%.

<sup>1</sup> DPU unchanged y-o-y compared to 1Q FY2019

## Prudent Capital Management

- Aggregate leverage as at 30 June 2019 is at 33.8% (proforma 35.4% with the completion of the Boardriders acquisition, predominantly funded with AUD debt).
- 80.9% of the portfolio's interest rate is fixed taking into account interest rate swaps and fixed rate notes.
- Weighted average debt maturity of 2.4 years. AA REIT has undrawn committed facilities to fully repay the S\$30.0 million fixed rate notes maturing in December 2019.
- Overall blended funding cost (including funding of the Australian asset with Australian dollar loan) of 3.6%.
- Issued new Units amounting to S\$3.6 million pursuant to the distribution reinvestment plan ("DRP") for 4Q FY2019.

# Attractive return on investment

> 1

- 1 Based on closing price of S\$1.47 on 24 July 2019 and annualised DPU of 10.00 cents. Annualised DPU is computed based on actual DPU payout for the first quarter of FY2020 and annualised to the full year.
- 2 Source: Bloomberg data as at June 2019.
- 3 Prevailing CPF Ordinary Account interest rate.

# Stable and sustainable DPU

2 Pursuant to the adoption of FRS 116 on 1 April 2019, land rent payments to JTC Corporation and Ascendas Land (Singapore) Ltd for certain properties in AA REIT's portfolio were excluded from property operating expenses in 1Q FY2020. Accordingly, NPI increased in line with the lower property operating expenses.

3 The share of results of joint venture (net of tax) comprised contribution from the Group's 49.0% interest in Optus Centre, which is located in Macquarie Park, NSW, Australia. The share of results of joint venture in 4Q FY2019 included the share of revaluation surplus recognised from the valuation of Optus Centre.

4 The Manager resolved to distribute S\$17.4 million for 1Q FY2020, comprising (i) taxable income of S\$16.7 million from Singapore operations; and (ii) tax-exempt income distribution and capital distribution of S\$0.7 million from distributions remitted from the Group's investment in Optus Centre, Macquarie Park, NSW, Australia. AA REIT's distribution policy is to distribute at least 90.0% of the Trust's Singapore taxable income for the full financial year. For 1Q FY2020, the Manager has resolved to distribute 96.5% of the Singapore taxable income available for distribution to the Unitholders.

5 Based on closing price of S\$1.47 on 24 July 2019 and annualised DPU of 10.00 cents. Annualised DPU is computed based on actual DPU payout for the first quarter of FY2020 and annualised to the full year.

# Boardriders – Rationale and Key Benefits

> 4

## Attractive investment in Australian industrial market

- The Australian and Gold Coast economies are expected to continue to sustain positive growth, supported by rising business investment, infrastructure spending and increased employment.
- Strategic addition of a Queensland asset to the portfolio.

## Freehold industrial facility with quality tenant and long lease

- Modern and with high specifications.
- Fully leased to Boardriders for a 12-year lease with option by tenant to renew for five years.
- Built-in annual rental escalation of 3% pa, with rent review at Year 7.

## Positive impact on strengthened enlarged portfolio

- Increases diversification of existing portfolio tenant mix and geographical base.
- Improves WALE and land lease expiry profiles.

## Consistent with the Manager's Investment Strategy

- Reaffirms portfolio growth strategy to pursue accretive investment opportunities in Singapore and Australia.
- The acquisition will be DPU accretive.
- Maintains prudent capital management - acquisition predominantly funded with AUD debt.
- Remains focused on anticipating and adapting to the evolving markets by creating sustainable, long-term value for Unitholders.

# Proactive asset and lease management

> 4

## Continued focus on active asset and lease management

- Developing a higher quality portfolio
  - ✓ Redevelopment of **3 Tuas Ave 2** – Secured a master tenant, a global medical device company with headquarters in USA, on 18 July 2019 for the entire premises of 268,000 sq ft.
  - ✓ The master tenant committed to a 10-year master lease on a triple net lease basis, with rental escalations every two years during the initial term, and options to renew the lease for up to a further 20 years after the expiry of the initial ten-year term.
    - Approximately 60% of the development has been completed.
    - Originally projected to be completed in the second half of 2019, it is now expected to be completed in the first half of 2020 due to redesigning of the property's base-build to cater for the master tenant's operational requirements.
  - ✓ AEI for **NorthTech at Woodlands** – The AEI will further enhance NorthTech as a modern and energy efficient hi-tech industrial facility. The building remains operational and income producing while the AEI is being carried out.
    - Approximately 67% of the AEI at NorthTech has been completed.
    - The AEI is on track to be completed in the second half of 2019.

# MARKET OUTLOOK AND STRATEGY

# Market Update and Outlook

> 5

## Macro Environment

- Global economic growth are projected to moderate in 2019 as compared to 2018.
- Uncertainties and downside risks continue to cloud the global economy, such as ongoing trade conflicts between US and China, slower-than-expected growth in China and uncertainty over UK's Brexit.

## Singapore Economy

- Due to the ongoing trade conflicts between US and its key trading partners, the Singapore economy will likely be impacted due to its dependence on trade and manufacturing activities. But being a regional hub, Singapore could potentially benefit from businesses reassessing their supply chains and sourcing locations.

## Industrial Sector

- Based on JTC 1Q 2019 statistics, occupancy rate of Singapore's overall industrial property market remained stable from the preceding quarter at 89.3%.
- Prices and rentals of industrial space remained relatively stable. In 1Q 2019, the price index fell marginally by 0.1% while the rental index remained flat as compared to 4Q 2018.
- Compared to a year ago, the price index remained unchanged while the rental index fell by 0.2%.

## Looking Ahead

- The Manager remains focused on anticipating and adapting to the evolving markets by building a diversified and resilient portfolio through unlocking organic growth and strategic acquisitions to ensure the creation of sustainable, long-term value for Unitholders.

# Strategy

> 5

## Portfolio growth

To pursue accretive investment opportunities in Singapore and Australia.

Pursue development and/or built-to-suit opportunities.

## Active asset and leasing management

Continual focus on proactive asset and lease management.

Unlocking value of selected asset(s) within the portfolio through asset enhancement.

## Prudent capital and risk management

Prudent capital management by substantially hedging interest rate exposure.

Diversified sources of capital and staggered debt maturities.
